WELLNESS AND NATURE AT THE OASIS LAGUNA DEL RE

SIPONTO

Come and find out with us!

At the gates of Manfredonia located inside the "Gargano National Park" there is a naturalistic area of about 56 hectares, equipped with wooden structures (roof terraces, shed and walkway) ideal for birdwatchers and nature lovers. It is a natural area of extraordinary scenic beauty and rich in biodiversity integrated into the network sites "Rete Natura 2000" and restricted areas.

Wetlands are important ecosystem and visiting this place helps to spread respect and love for nature.
